Product Description: Hazelnut spread

Size: 20g

Type: PET + AL

Pieces Per Carton: 96

Carton Weight: 2,3 kg

Carton Per Pallet: 198

Item Code: 80013

Product Description: Hazelnut & milk spread

Size: 20g

Type: PET + AL

Pieces Per Carton: 96

Carton Weight: 2,3 kg

Carton Per Pallet: 198

Item Code: 80012

Product Description: Fruit spread Rose hip

Size: 20g

Type: PET + AL

Pieces Per Carton: 96

Carton Weight: 2,3 kg

Carton Per Pallet: 198

Item Code: 87002

Product Description: Fruit spread mixed

Size: 20g

Type: PET + AL

Pieces Per Carton: 96

Carton Weight: 2,3 kg

Carton Per Pallet: 198

Item Code: 87001

Product Description: Fruit spread Apricot

Size: 20g

Type: PET + AL

Pieces Per Carton: 96

Carton Weight: 2,3 kg

Carton Per Pallet: 198

Item Code: 87003

HORECA / Chocolate

Product Description: Chocolate spread

Size: 10kg

Type: Plastic bucket

Bucket Per Pallet: 36

Item Code: 81005

Product Description: Hazelnut spread

Size: 10kg

Type: Plastic bucket

Bucket Per Pallet: 36

Item Code: 80009

Product Description: Termostabile chocolate spread

Size: 10kg

Type: Plastic bucket

Bucket Per Pallet: 36

Item Code: 81017

Product Description: Compound milk chocolate

Size: 100g

Type: AL foil + cover

Pieces Per Carton: 26

Carton Weight: 2,8 kg

Carton Per Pallet: 231

Item Code: 83002

Product Description: Compound dark chocolate

Size: 100g

Type: Al foil + cover

Pieces Per Carton: 26

Carton Weight: 2,8 kg

Carton Per Pallet: 231

Item Code: 83001

About us

In the first years of its activity BARPEH d.o.o. The reader was dealing with fruit and vegetable trade. In 1994, the trade program was expanded on frozen products and ice cream, which in 1997 led to the construction of its own ice cream factory in Čitluk. In 1999 the company mentioned was buying LEDO d.d. Zagreb, member of the Agrokor d.d. group, Croatia.

In the summer of 2000, a new project for the construction of modern, automated powder cream factories was started. In just one year, a new factory was built and equipped, which started work in September 2001. The BARPEH brand BARPY is on the market already in October of the same year, and the new brand, named Kremino, is released in the spring of 2003.

Permanent improvement in quality and production conditions resulted in the top quality NIKA chocolate in 2005, for which the experts say that with its rich flavor and the highest quality ingredients it really stands out from all the other chocolate brands. Barpeh d.o.o. Products and Chocolate ARIANA, which with its exquisite packaging and affordable prices also captures the most demanding customers.

The quality tradition was confirmed by the establishment of an effective quality management system in accordance with the requirements of ISO 9001: 2000 in 2003 and IFS FOOD 2015. At the same time, we pay close attention to the health of our products and therefore through the HACCP principle through an effective preventive measures system, we ensure a safe and healthy product for our consumers.

U prvim godinama svog djelovanja BARPEH d.o.o. Čitluk bavio se trgovinom svježim voćem i povrćem. 1994. godine trgovački program proširen je smrznutim proizvodima i sladoledom, što 1997. godine dovodi do izgradnje vlastite tvornice sladoleda u Čitluku. 1999. godine spomenutu tvornicu kupuje LEDO d.d. Zagreb, član koncerna Agrokor d.d., Hrvatska.

U ljeto 2000. godine započet je novi projekt izgradnje moderne, automatizirane tvornice krem namaza. Za samo jednu godinu izgrađena je i opremljena nova tvornica koja s radom počinje u rujnu 2001. godine. BARPEH-ova robna marka BARPY pojavljuje se na tržištu već u listopadu iste godine, a novi brand po imenu Kremino na tržište izlazi u proljeće 2003.godine.

Stalno unapređenje kvalitete i uvjeta proizvodnje rezultirali su u 2005. godini vrhunskom Barpeh - ovom čokoladom NIKA, za koju poznavaoči kažu da se svojim bogatim okusom i najkvalitetnijim sastojcima zaista izdvaja od svih ostalih marki čokolade. Barpeh d.o.o. proizvodi i čokoladu ARIANA koja sa svojom izuzetnom ambalažom i prihvatljivom cijenom također osvaja i najzahtjevnije kupce.

Tradiciju kvalitete potvrdili smo i uspostavom djelotvornog Sustava upravljanja kvalitetom prema zahtjevima norme ISO 9001:2000 u 2003. godine, te IFS FOOD 2015. godine. Ujedno, veliku pozornost posvećujemo zdravstvenoj ispravnosti naših proizvoda i stoga primjenom načela HACCP kroz djelotvoran sustav preventivnih mjera, osiguravamo našim potrošačima siguran i zdrav proizvod.
